Dear Mr. Hedden:

Region 10 of the Environmental Protection Agency (EPA) has reviewed your email of November 16, 2009, in which you discussed the actions taken in response to EPA's October 20, 2009, Notice of Violation ("NOV"). Based on the information presented in your email and its attachments, it appears that you have addressed the violations cited in the NOV.

This determination is based on the information provided, and is subject to change should EPA obtain new or different information. As stated in the NOV, your responses to the NOV do not constitute compliance with RCRA. You must take all steps necessary to achieve and maintain compliance. As previously noted, EPA reserves the right to take any action it deems necessary and appropriate pursuant to RCRA or any other applicable legal authority.

Thank you for your prompt attention to this important matter. If you have questions regarding this matter, please contact Jack Boller of my staff at (206) 553-2953.
